Wounded Warriors Stopping in Glenwood Springs on Thursday

GLENWOOD SPRINGS, CO – This Thursday, September 21, from 9 to 10 am, the Wounded Warriors Family Support Organization will make a brief stop at West Glenwood Mall on their “Drive the Journey” campaign. Say thank you to the disabled veteran that will be receiving the truck by writing a personal message on the vehicle’s temporary skin. Donations benefiting Wounded Warriors Family Support Organization will be accepted.

From wwfs.org...

Drive the Journey

Microsoft employees (from State, Local Government, Public Sector Enterprise Services Group) are driving a specially modified Ford F-150 6,500 miles across the United States to raise awareness for our combat wounded disabled veterans. The vehicle is equipped with several state of the art devices designed to open up access to the disabled driver. Bridging barriers that might otherwise prevent their ability to be independently mobile. All this while driving a vehicle that maintains a “non-modified appearance.”

At the end of our journey Microsoft will present the mobility equipped truck to a deserving combat wounded veteran and his family in Reston, VA on October 4th.

For questions or concerns, contact Olivia Carmichael at (970) 384-6441 or olivia.carmichael@cogs.us.
